THE FUTURE OF STATION HOUSE SURGERY

We have been made aware of concern within the community regarding the future of Station House Surgery and we wanted to take this opportunity to provide you with reassurance that Station House Surgery is an integral part of Ridgeway View Family Practice, and we will continue to provide services to our patients here.

With the expanding clinical team at Ridgeway View Family Practice, we need the clinical rooms available at Station House Surgery to accommodate all our clinicians, together with the large Dispensary.

UPDATED OPENING HOURS AT STATION HOUSE SURGERY

Our Station House Surgery opening hours will be changing slightly from Monday 16th October 2023. We have reviewed footfall into the practice for the last 12 months and have amended our opening hours to reflect the patient demand.

The Wroughton site front desk is available Monday – Friday 08:00 - 18:30 and phone lines are available Monday – Thursday 08:00 – 18:30 and Friday 08:00 – 17:30.

PRESCRIPTION COLLECTION

If you are a Dispensing patient and we hold a mobile telephone number for you on your record, we will send you an SMS text message to let you know when your prescription is ready for collection. This is to save you time coming to the practice when your prescription may not be ready yet.
